ON THE ESTATE

Cliveden was originally conceived as a hunting lodge for a man who cared for little beyond “pleasure, frolic or extravagant diversion.” His legacy is still evident in the sheer range of entertainments available today.

Indoor and outdoor tennis courts, squash courts, snooker room, a fully equipped gymnasium (personal training available) and The Pavilion Spa, complete with heated outdoor and indoor pools, are all provided within the extensive grounds.

Guests are free to explore the 376 acres of beautifully maintained National Trust owned gardens and the acres of woodland, water garden and magnificent formal garden that surround the House, complete with fitness trail and children’s play area. With snow drops and daffodils, bluebells in the woodlands, changing bedding displays and stunning autumn colour in the Water Garden there is always something new to discover in Cliveden’s gardens. Picnics can be ordered to enjoy in the grounds, or on one of our timeless vintage lunches on the Thames.

OFF THE ESTATE

Golf at the prestigious Lambourne Golf Club, horse-riding, fishing, shooting and archery are available locally and can be arranged for your enjoyment, and you can even learn to play polo.

Windsor Castle is one of Her Majesty The Queen’s official residences. It is also the largest occupied castle in the world. For over 900 years, Windsor Castle has been a royal palace as well as a fortress. In the 21st Century, it is still very much a 'lived in' castle.

A popular base for events such as Royal Ascot, Henley Regatta and meetings at Windsor Racecourse, we would be delighted to arrange transportation in our fleet of luxury cars.

Alternatively, there’s no better way to arrive at Henley Royal Regatta or Henley Festival than in one of the Cliveden flotilla ... the utmost in style.

This haven of tranquillity offers an impressive list of beauty and holistic treatments for our House guests from exclusive brands. A wide range of face and body treatments suitable for all ages, men and women are available (at an extra charge).

In addition to this, relax in the heated indoor and outdoor pools, Canadian hot tubs, whirlpool spa, men's and ladies' steam rooms and sauna. The Walled Garden is a secluded sun trap, with sunbeds next to the pool.

CLIVEDEN FLOTILLA

In the Cliveden Boathouse, there's a lovingly restored flotilla of the most beautiful vintage launches that are available to you for cruising the Thames, from April to October.

A jaunt down the River Thames in one of these exquisite treasures, whether for a glorious Afternoon Tea, a lazy picnic lunch or an indulgent Champagne cruise to Henley, offers the ultimate in sheer effortless enjoyment. The most luxurious boat trips on one of the most beautiful stretches of the Thames you can imagine.

DINING AT CLIVEDEN

There are three very different restaurants from which to choose according to your mood and taste. Whatever your preference, we endeavour to make every diner feel like a personal guest in a beautiful country home.

The Terrace Dining Room offers not only the finest classically inspired cuisine, but awe-inspiring views of the gardens and Cliveden Estate. For those of you who enjoy a more informal and relaxed atmosphere, the Club Room is open to House guests for breakfast, lunch and dinner where food is cooked to order and prepared in a gastro-pub style.

Afternoon Tea is increasingly popular at Cliveden, our fine three tiered selection includes finger sandwiches, warm scones with home-made jams and clotted cream, miniature cakes, pastries and delicacies. There is also a wide selection of teas, including our very own Cliveden blend.

Our Chef will be pleased to prepare any dishes from our menus for younger diners, and there is an appetising selection for four legged friends.

WALDO'S - FINE DINING AT ITS VERY BEST

Waldo's provides both an atmosphere and range of culinary experiences which would have delighted all of the House's previous diners - from George Bernard Shaw to Lord and Lady Astor themselves.

Named after Thomas Waldo Story, the sculptor of the Fountain of Love in Cliveden's driveway, the emphasis is on providing an intimate, romantic (if the occasion requires it) and personalised setting where the wine, the service and the ambience all amaze in equal measure. With only ten tables, and a maximum group size of six, you'll be made to feel special, whether sharing a unique occasion, celebrating or simply indulging in fine food and wine.

Waldo's is open for dinner, Tuesday to Saturday from 7pm, reservations essential. Reflecting the status of Waldo's, which is fully air conditioned, gentlemen are kindly requested to wear a jacket and tie.

Or, make your stay even more exhilarating with a classic car from the von Essen fleet, including Aston Martins and Ferraris.

Finally, the von Essen fleet of twin engine helicopters is at your disposal with a heli-pad in the grounds. Not only can they transfer you to and from home, office or airport, but they are available for pleasure flights over those sights you might otherwise miss. If you are thinking of a day trip overseas then we can take you there. Relax on one of our executive private jets, which offer European travel for business or pleasure without any drama or stress, at the time you wish to travel and all with that special attention to detail.
